THE MORE, MAYBE NOT THE MERRIER

Dear PURELY 18,

Whoa! Talk about rocking my world! Your last issue was so hot that my fingers—as well as my cock—are still burning! I really lost it when I eyeballed the layout featuring: Angel, Sue, and Jared. Just watching two young, virginal-looking chicks get it on is usually enough to make me give up the goods, but when I get to watch them suck and fuck a stud, that really makes me go into overdrive. An added bonus was the fact that Anna was Asian—my favorite kind or exotic “food.” I was wondering: Would four be a crowd? I'd love you to give me their address so I can make my own “delivery!”

Chuck B.
Aspen, CO

(Sorry, Charlie, but the chicks (and Jared) told us that they don't do “take-out.” They like to keep things in their own private kitchen. So, three's company, four's not happening. At least you can always lap up their layout to keep your appetite satiated.)

TOO CUTE FOR COMFORT

DEAR PURELY 18,

Be still, my heart! I've never, ever seen anyone as cute as Chrissi in your most recent issue. C'mon, guys, a just-legal blonde teen in pigtails vacuuming up a dildo in her tight, young snatch? I thought you wanted to keep your readers—not send them to early graves due to penile-pumping overexertion! Chrissi brings to mind an angel with a dirty mind and dirtier actions. Will you bring her back—and will she do even nastier things?

Angelo S.
Parsippany, NJ

(Hey, Ange, calm down. We do want to keep our readers alive for at least a few more issues! We agree that Chrissi is almost too much to handle, and we'll try our best to get her to pose again. Next time, who knows how far she'll go? Wait and see!)

DANNI IS DANDY

Dear PURELY 18,

I have to admit, I buy a lot of different skin mags every month—and I don't usually buy yours, but I was stopped dead in my tracks when I saw Danni on the cover of your last issue. She looked so pure, so wholesome, and yes—so young. I was mesmerized. I bought the issue and am I glad I did. Danni's layout was pure erotic magic. I think I'm in love—or at least super-sized lust! The rest of the mag was sizzling, too. Guys, you have a new loyal reader. Thanks.

Peter P.
Laughlin, NV

(Petey, we're happy to have you on board. We're always glad to add to the fold, and we promise that if you keep on buying our publication, we'll keep on delivering naughty nubile cuties like Danni. We're not like the other cookie-cutter “young” mags—we bring you all kinds of different girls of every shape and size to keep you hard and happy!)

SANDY & DARREN

32942

PROVING OUR POINT

Dear PURELY 18,

What I usually find lacking in most "very young, but totally legal" magazines is variety. All the girls look the same. They're wholesome, girl-next-door types—not your fine publication. For example, in your last issue, Sandy was the "bad girl" type I so adore. I like freaky girls who are tatted, pierced, and poked. She fit the bill perfectly. The fact that she sucked and fucked Darren's big, fat dong in the pictorial only added to her "slut-I-can-get" allure. Other mags don't dare to go so far. All young girls are not pure; like Sandy—they're purely naughty! Thanks, guys, for showing how the other half lives!

**Alex B.
Vancouver, BC, Canada**

(Alex, it's like we were telling Peter—we're here to arouse every kind of varied taste. We take pride in showcasing girls—like Sandy—who the "competition" is scared to let model. They think a young girl should be depicted as "innocent." We think art imitates life, and our models exhibit their true, wild, anything-goes selves!)

KIM IS THE CURE

Dear PURELY 18,

Is there no limit to how far you guys will go to make readers happy? I'm 50-plus-years-old, and I've been buying "skin" books for a lot longer than I care to remember, but I've never, ever seen a girl like Kim (featured in your latest edition). Not only was she too beautiful for words, but her actions were too incredible to comprehend. When she deep throated that entire dildo, and I saw her cheeks bulge and her windpipe engorge, my cock responded in turn—growing hard and erect—not an easy feat, since I now usually have to take Viagra to get a chubby. Thanks, editors, you've found a cure for erectile dysfunction—and her name is Kim!

**Otto M.
Lansing, MI**

KIM

33090

(Otto, we're going to try and get a patent and bottle Kim, but seriously, we thank you for your kind words. Believe us when we say that we, too, were overwhelmed by Kim's natural beauty, not to mention her talent for oral satisfaction. And yes, our erection has lasted well over four hours. Hope likewise for you and all our readers!)

Sasha

Needs To Be Taught A Lesson!

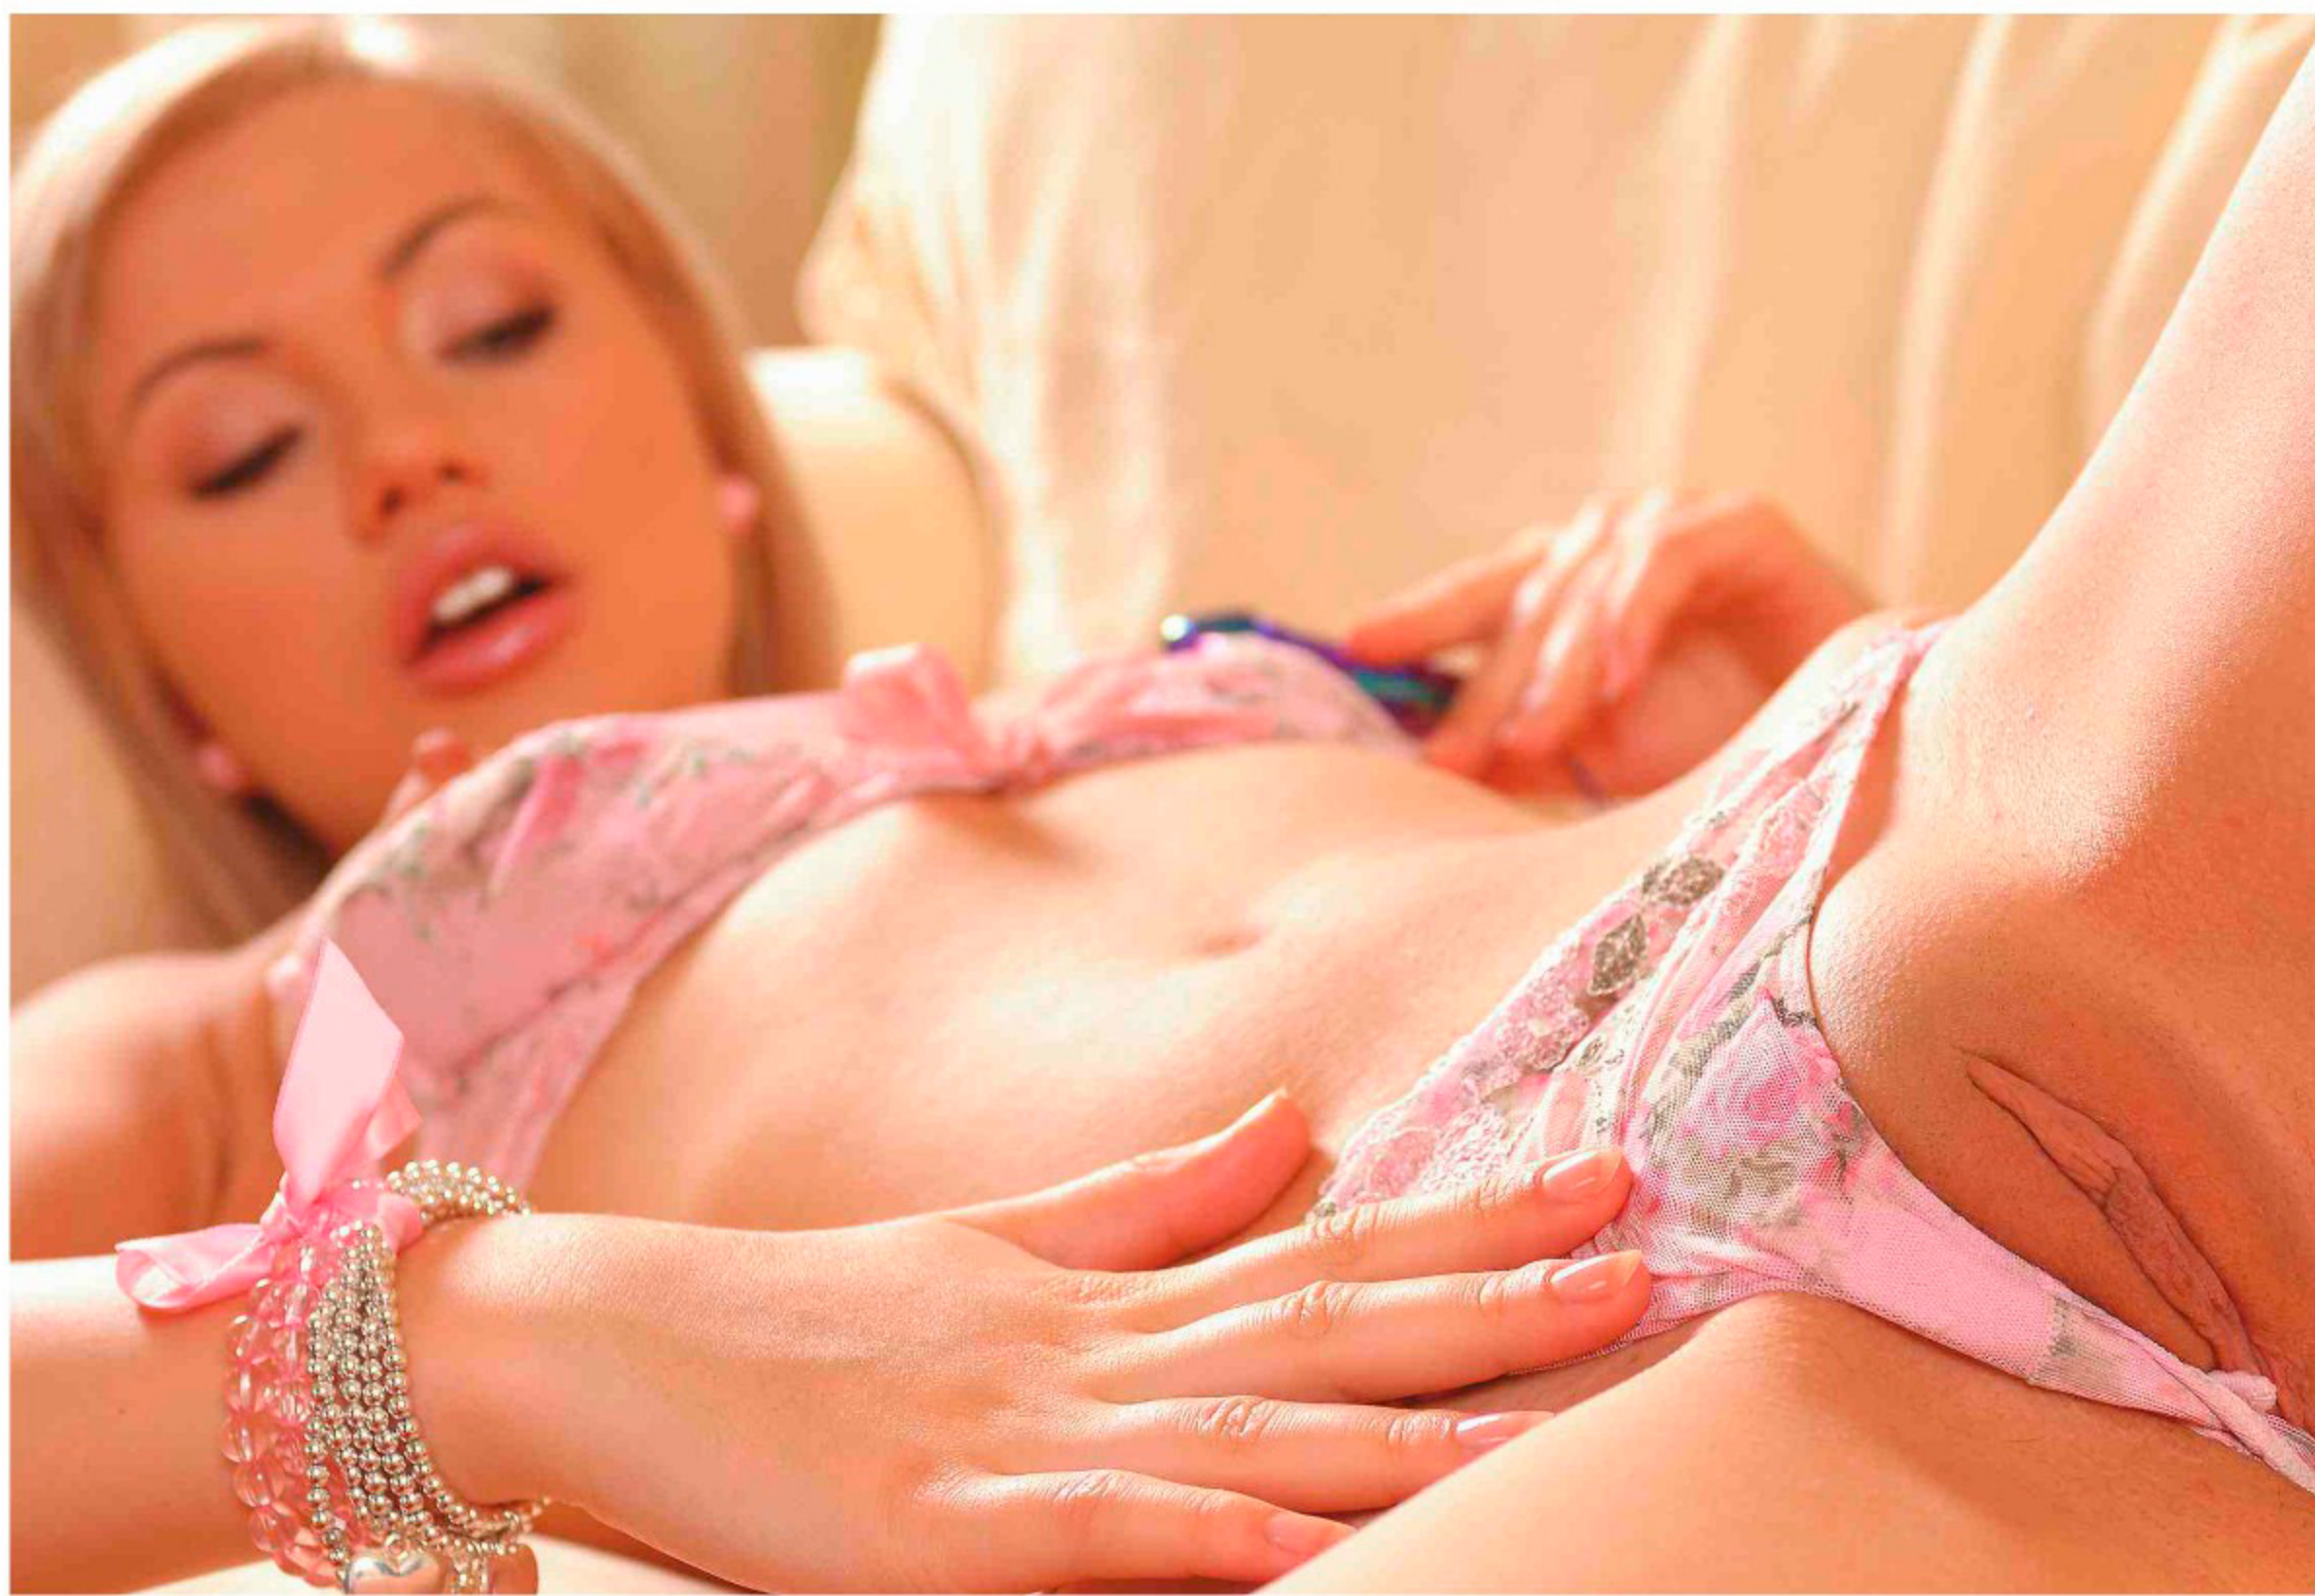

33088

I've always been very precocious, even as a child. Now that I just turned 18, I like to think of myself as sexually knowledgeable—even though I really don't have that much experience. (I read a lot.) My friends all giggle and fumble their way through sex. Not me. I study up on all the well-known techniques, then I try them out with my boyfriend, Rob. I've taught him a thing or two. He especially loves how I suck his dick. I can deep throat it—and not too many girls my age can do that. Plus, I know all the best positions. We both have great orgasms. Knowledge pays off in the end—boy, does it ever!

A Young Girl's Diary

What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of **Tammy**, a curious 18-year-old, as she ponders her world of... what else ...**SEX!**

Dear Diary,

I've always loved The Good Guy—the smart dudes who always had their shit together. Over the athlete, I would date the Dungeons & Dragons nerd, because it was safe. The sex was always so-so, and since I've always been ravenous about sex, I think my poor choice in men would counteract—meaning, I should've just chose a man that satisfied me and was on my level. Then again, they were always The Bad Boys, and I didn't want any part of that.

I got their appeal—they were dangerous and sexy, but I never even frigged my clit to anyone of that nature. That "Live fast, die young" approach was scary to me, but when I was not getting off to anyone from Comic Con, I decided that I was either going two routes: Sapphic or just by myself. A man on a motorcycle was not on my agenda.

For a few months, it worked out—I played with myself while watching "The Big Bang Theory" and old episodes of "Star Trek," and was more satisfied than anything. I made sure that I bought a few toys and played with them every chance I got. I figured that I was still young, and I would find my ground, but in reality, I was pretty happy finding what spoke to me, sexually.

It was practically the second I turned 18; I was growing tired of my fingers and toys. Also, it's really hard to flick my bean when I room with two other girls in a box. I tried to do it in the bathroom, but there was always someone that needed to use it, and there was no way I could've done the deed in any of the study halls—they, too, were always occupied, and I was afraid that I wasn't going to see my next semester if I got caught. It was becoming more and more clear to me—I needed to get fucked.

It was the only logical way I was going to get off and not get caught doing anything embarrassing at the same time. Not being one for parties, I decided to go to some any-

way with absolutely no luck. All the guys there were frat boys—definitely not my type, and I can't stand all that drunken blabber, and when I did spot a dude who was sort of geeky, it turned out he was gay. I left the party and walked home—hornier than I'd ever been in my life.

When I walked into my room, my two roommates were on their beds watching tv, and I could practically hear my pussy pulsing. I couldn't believe that I was so horny that I was getting lightheaded, and when I walked out the door, my only option was going into my car, and parking it in a lot where there were literally, no people. As I started to go, I remembered that I left my glasses in my friend's dorm next door. I didn't want to go over there because I was way too horny to function, but I needed them to drive the next day.

My friend wasn't home, but she told me to go to her dorm anyway. I walked in thinking no one was there, but I saw a man with a tattoo on his neck, hunching over the couch.

"Oh, hey, are you Gloria?" I'm Thomas; I hang here with Tammy's boyfriend. Sit down."

He looked so rough and tumble that when he was hunched over, I thought he was mixing drugs or something, but it turns out, he was playing Chess.

He asked me if I played, which I didn't, but he said that

he was having fun just playing by himself.

"I do that a lot lately," he laughed. "Play by myself."

Usually, my instinct is to run around guys like that, but I loved that he was so intellectual, and also, I was finding myself really attracted to him. I guess it was his smarts, mixed in with his sexiness, but a wave of pleasure just wafted over me and I couldn't help myself and said, "Yeah, I play with myself a lot, too. Wanna see?"

I lifted up my legs and showed him my petals that were traced with my girl goo.

"See how long I've waited? I have a full bush because I'm so lonely," I moaned while playing with my hood.

As he sat back, he took out his raging rod and started stroking it until droplets of his pre-cum were oozing out. I didn't want to stop, though—there was something fun and different about the way we were getting off, and it was actually satisfying me. However, once I saw him breathing heavily, I couldn't wait but to put my mouth around his burgeoning cock.

Kneeling down on the floor, I made sure to scoop my ass up a little so I could put my pert cheeks on the chess board—letting all the pieces topple over. He didn't mind, as I was throat-deep in his hefty wand—slurping on it like it was the last taste of cock ever.

I love the feeling of when a guy bobs my head up and down while I'm inhaling his rod. It's so insanely slutty, but I also enjoyed that I wasn't the one taking over the reigns—this was such a different feeling, but while he pushed my head deeper, mouthing, "You're such a dirty, little whore—I love the way you're fucking my cock with your mouth." I loved every minute of it.

Every time a stream of my sweet sauce rippled down my legs, I swiped it up with my fingers—and fed him my homemade nectar. He drank it all in, and when I looked up at him; he motioned for me to go on the couch. He positioned me in doggie before filling up my hole. I could see the tattoos on his arms—which was a first for me—and I couldn't believe that I was cumming so fast and hard from someone that wasn't typically my type. The way his rod fit in my pussy was like a glove, and I loved how he kept pounding my pussy—hard and deep until he couldn't take it any more and splooped all over my backside.

I made it a point to see him again, and we've been fucking continuously for months now, and let me tell you—they're right about those bad boys—they're hot and dangerous for a reason—if it means they're incredible in bed.

BEHIND THE SCENES OF...

CHEERLEADERS GONE BAD Third Degree Films

31482

Starring: Kendall Karson, Erica Fontes, Stevie Shae, Cami Cole, Molly Bennett, Mark Wood, Erik Everhard, Bill Bailey. **Directed By:** Miles Long

Understanding our penchant for pompom and athletic pussy—ace director, Miles Long, has assembled a fantasy lineup of varsity vixens in his latest offering. With dynamic porn pairings, spirited cocksuckers, and voracious sexual appetites—this is one pep-rally that is not to be missed!

Willing to do anything to join the team, Cami Cole seduces Mark Wood. Leaving reddened paw prints across her butt in cowgirl position—Mark eventually gives her the good news...she made the squad!

Next, Kendall Karson is eager to fuck a bad boy. Making her way to a mechanic's shop, she finds Bill Bailey and gets to work on his cock by blowing it and humping his hodge raw in a reverse cowgirl spread that shows off her healthy body.

Although not entirely fluent with the English language—Erica Fontes certainly knows the universal language of love in the proceeding scene. Unzipping Mark Wood's cock from his shorts, she proves she'll do anything to join the squad—including riding his cock in cowgirl across his desk. We certainly love her teen spirit!

And finally, there's Molly Bennett, a sexy student, who like the afore-

mentioned girls, has similar aspirations of becoming a cheerleader. The only problem is that Molly's cheering skills totally suck! Willing to give her another shot, Erik Everhard has agreed to give her one last audition... at his house. Guess what happens next?

EXTRAS: As an added bonus, Miles Long briefly interviews each of the aspiring cheerleaders before they get busy on set. With great chemistry flowing throughout, the females are excited and very jovial for their scenes. Also striking, are the bank of yummy images, the cumshot recap option, and the slew of smokin' hot trailers that spotlight upcoming attractions.

CUTIES 3 **Elegant Angel**

31328

Starring: Riley Reid, Jessie Rogers, Molly Bennett, Remy LaCroix, Cassandra Nix, Manuel Ferrara, Mick Blue, Mr. Pete, Alex Gonz. **Directed By:** Sam No

Sticking to a winning formula that consistently makes Elegant Angel products stand out—director, Sam No, continues in his quest of showcasing fresh, young talent doing the deed with experienced superstars. The result is expert porn that will make you moan!

Riley Reid kicks things off with Manuel Ferrara, after revealing that she's a freak in the sheets. Demonstrating that fact, Reid offers him an expert oral session that is well beyond her years. Later, her bends her over his lap to tinker with her holes, before plowing through her pussy.

Next, Jessie Rogers makes sure we never forget her name when she lays it on thick with Mick Blue. Sucking his cock like a pro, and releasing a gash splash when she orgasms— Jessie ultimately looks the best when on her back in missionary.

Having only slept with one man prior to porn, Cassandra Nix is eager to make up for lost time. The lucky recipient for these festivi-

ties is Alex Gonz. Looking quite attractive together—it's great watching Cassandra's eyes wince when he has her buckled over in spoon.

Remy LaCroix also does a bang up job alongside Mr. Pete—although we enjoyed Molly Bennett's ride on the wild side with Mick Blue slightly better. With a curvy, 18-year-old body—Mick really lets her have it!

EXTRAS: Offering a candid look behind the scenes, you'll get a solid taste for who the girls are, and the free flowing atmosphere of Sam No's set. The photo gallery spread is also good, but not nearly as hot as the bonus sex scene starring Katie St. Ives and Manuel Ferrara from the first installment of *Cuties*. And, as usual, more trailers are represented, helping to round out this explosive experience.

JUST LIKE MOM Digital Playground

32783

Starring: Riley Steele, Francesca Lé, Ava Addams, Charley Chase.
Directed By: Robby D.

Just Like Mom is a tantalizing cock tease that ignites when Riley Steele catches her mother, Francesca Lé, having sex with her boyfriend, Erik Everhard. Dead set on getting revenge, Riley is later banished to live at her aunt's house, whereby she learns, first hand, just how much sharing is really going on between her family members.

This is the twisted tale concocted by director Robby D, who successfully delivers another knockout production by putting the 'fun' back in dysfunctional! The movie begins with Francesca Lé seducing Erik Everhard when she finds him masturbating over their panties. This quickly leads to a passionate kissing session that later has Francesca wrangling Erik's spear down her throat. After solid oral, Francesca takes the reigns in reverse cowgirl, proving that "mommy knows best".

Plotting her revenge in the next scene, Riley beds Marcus London, her mother's boyfriend. Once under her spell, he intently fucks her

from underneath in cowgirl position and later in mish. Naughty naughty! Next, while Charley Chase (Riley's cousin) is at work, Scott Nails, her boyfriend, decides to get it on with

Ava Addams, her mother! Truly keeping it all in the family, Scott has no problem sticking his cock between her two chest buns before filling up her pussy...doggie style! Although Charley has been deceived, don't count her out just yet. She later has a go with Manuel Ferrara, her mother's boyfriend. Delivering an award worthy blowjob and plenty of hardcore vaginal positions, she definitely has the last laugh.

In the end, Riley forgives Erik for his indiscretions with her mother by blowing his cock and his mind in a myriad of scorching positions that will leave you breathless.

Erica & Betty

CHEATERS DO WIN SOMETIMES!

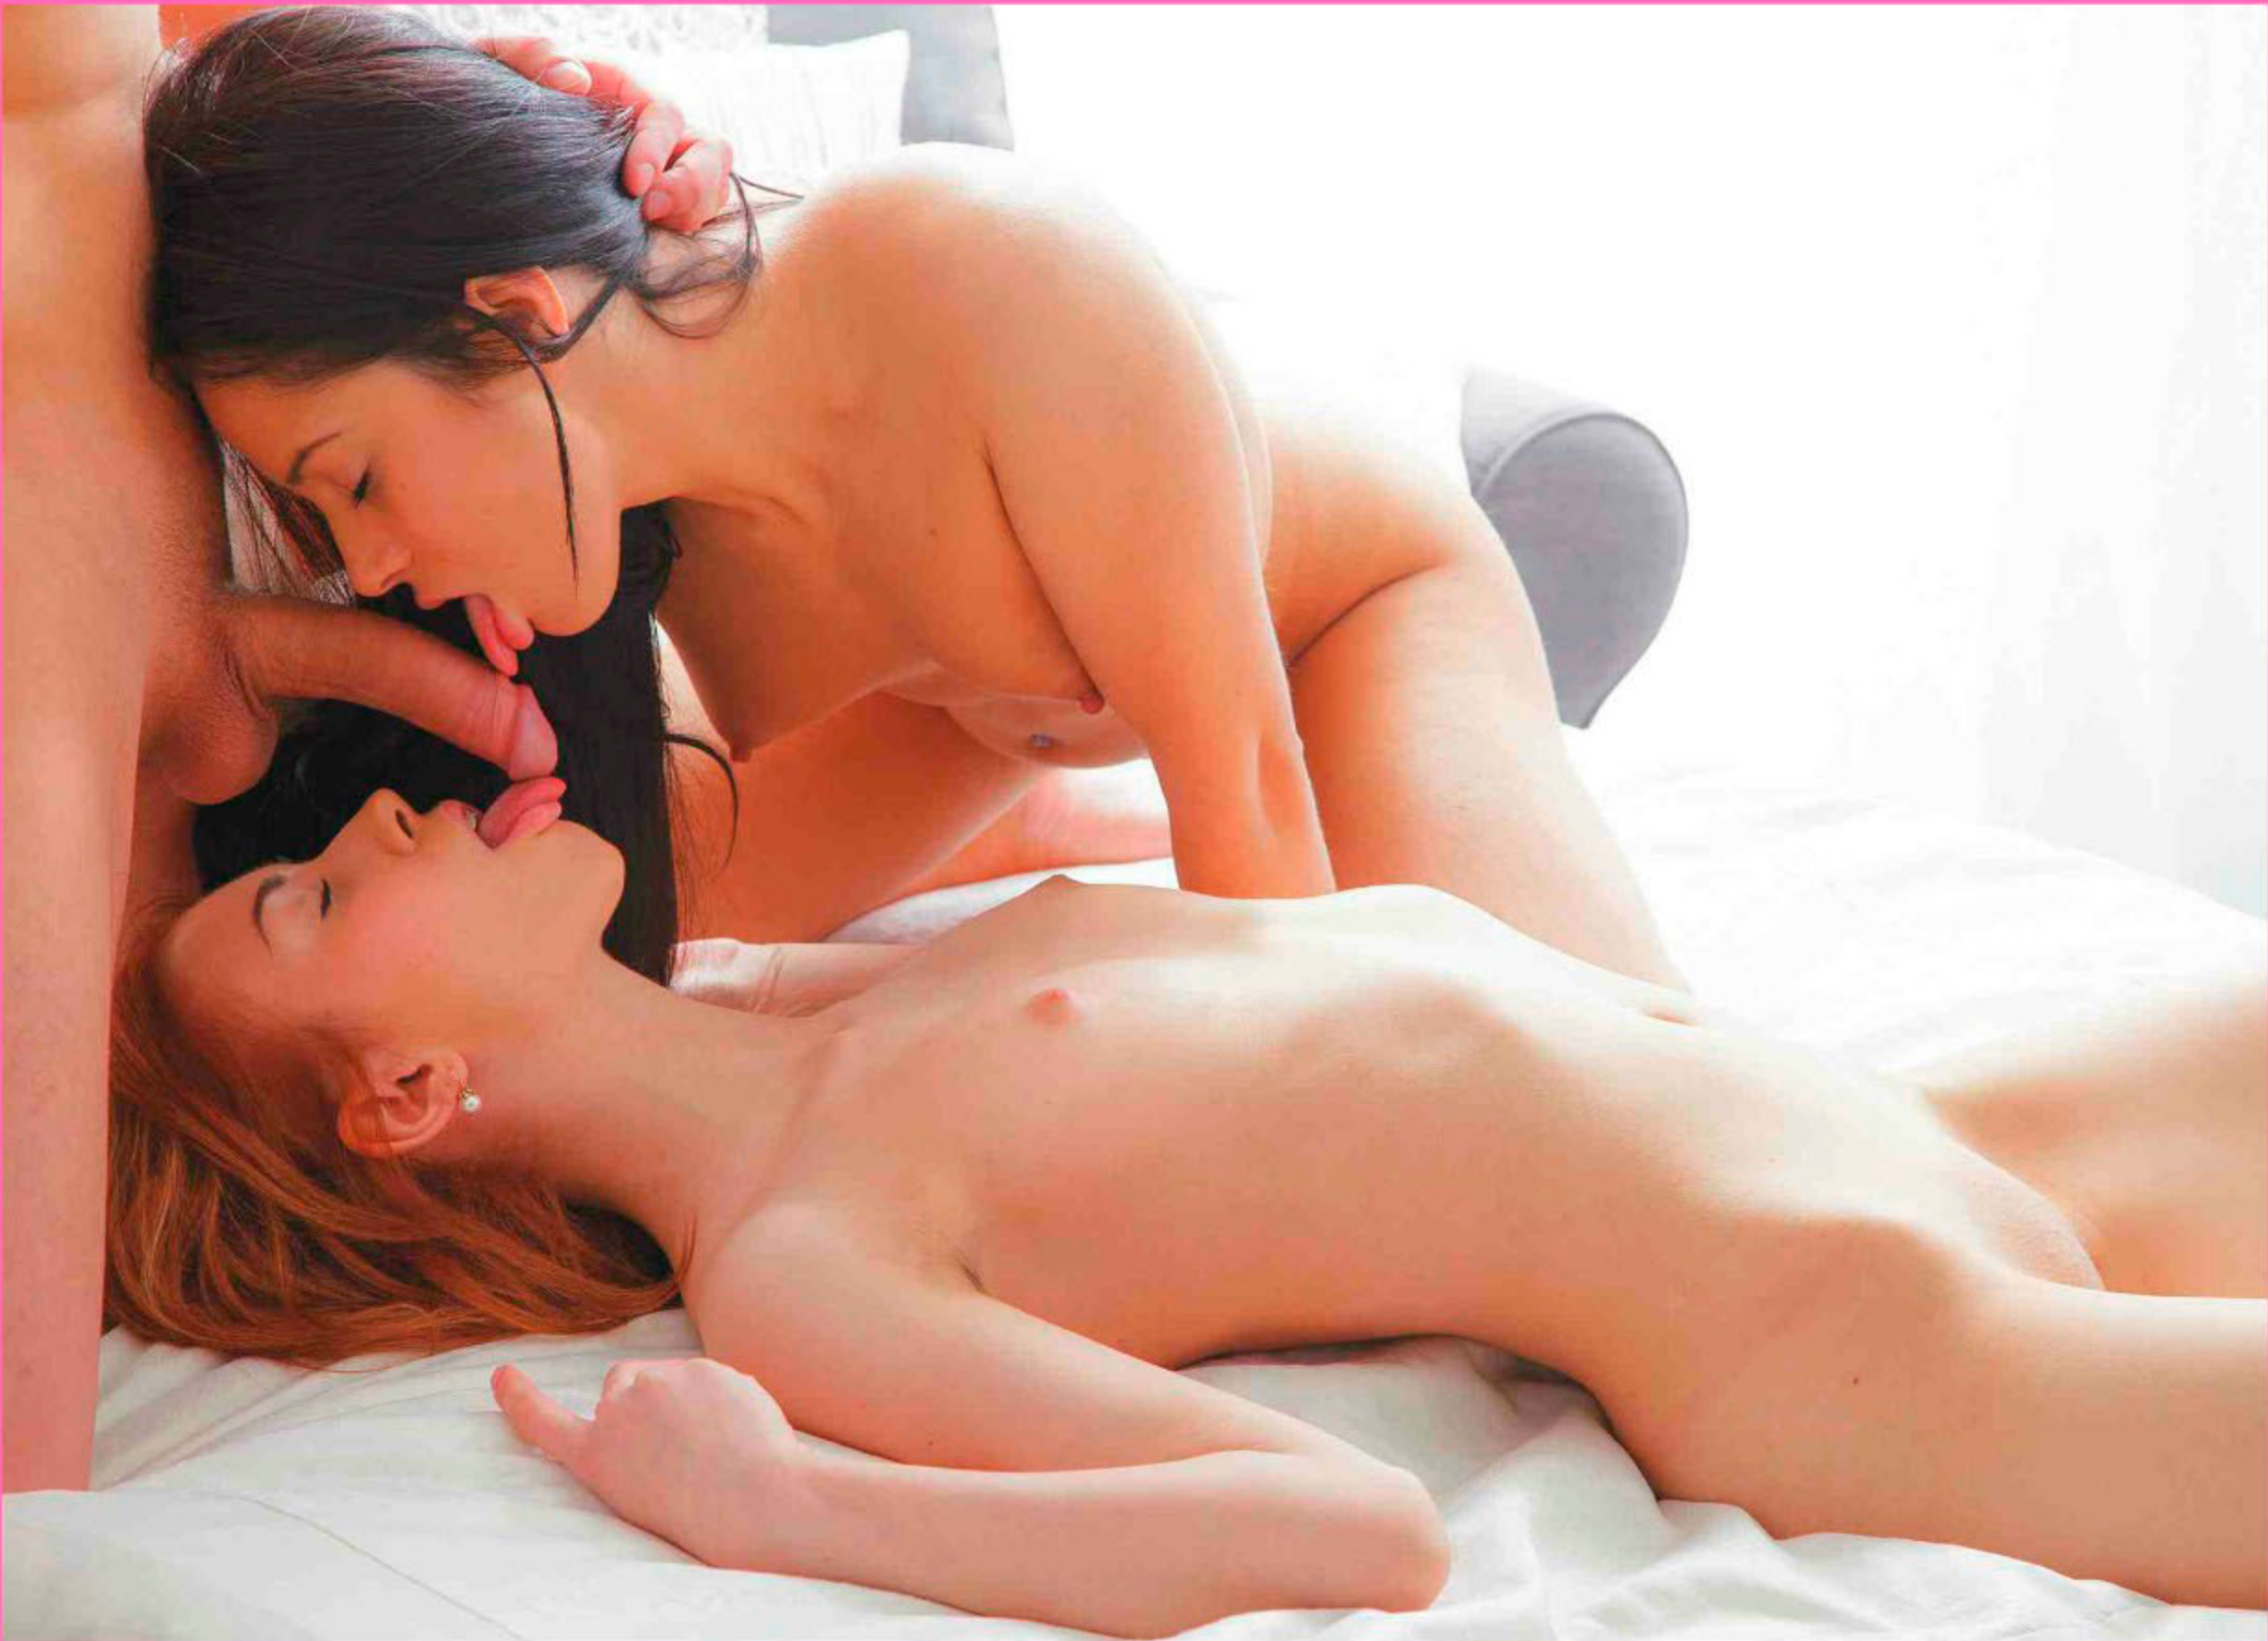

My boyfriend, Nick, is okay. To be honest, I just hang with him because he's got a big dick—and he knows how to use it, but when I found out he was cheating on me with a girl named Betty—who didn't know about me, either—we decided to teach Nick a lesson. She told him to come over her place, and when he walked in, he found Betty and me getting it on. We were sixty-nining, and pussy juice was flying everywhere. Instead of getting pissed-off, he got a huge hard-on and joined us. Now we're not mad at Nick. We just use his cock to make us cum while we please each other with our mouths!

Teen
Dream

SHARON

21st CENTURY STYLE HIPPIE!

33238

I'm taking a semester off from school to experience life. If I lived during the '60s, I'm sure I would have been a hippie. Now I hang out, see the sights, read, go to museums, bond with friends, and experience free love—21st-century style. Yup, if I see someone who interests me—male or female—I go for it. I'm not shy. If you've got a big bulge in your pants, or perky, bouncy tits, I'll make my interest known. I love to fuck complete strangers. It expands my horizons—teaches me about life and people, and provides great orgasms! There's nothing wrong with that. School can wait. I've got life to live, and climaxes to experience!

STARRING:

IVANA SUGAR, MOLLY BENNETT, PORN DAN

DIRECTOR: PORN DAN

STUDIO: IMMORAL PRODUCTIONS

PIXXX AND ARTICLE BY JEFF HUBRIS

Porno Dan is making a difference. I can think of several young ladies who have since achieved "prominence" in the industry who were once rookie irregulars here at Immoral Productions. Some girls have even used these studios as a temporary crash pad. And some will admit in hushed, dismissive tones that, yes, they did their time here at Immoral, as if it were some kind of porno correctional farm, a Chatsworth gulag archipelago. These girls are not proud, for rather than being sentenced to a dark universe of embarrassment, they chose it for themselves. For better or worse. Pity the poor. I'm just sayin'. But, if anything, Porno Dan has been running a farm team for a select few who now feel they've moved on up to the East Side of porn aristocracy. They're different now, playing in the big leagues where it's so easy to forget what life was like across the tracks on the poor side of town. That being the case for some but not all, it's important to pay attention to the goings-on here because some of the critters who cycle through the Immoral meat grinder could very well end up being the big In-N-Out Double-Double Animal cheeseburger of tomorrow. You guessed it: it's all very exciting.

Molly Bennett, an 18-year-old Southern Californian fresh out of high school and Ivana

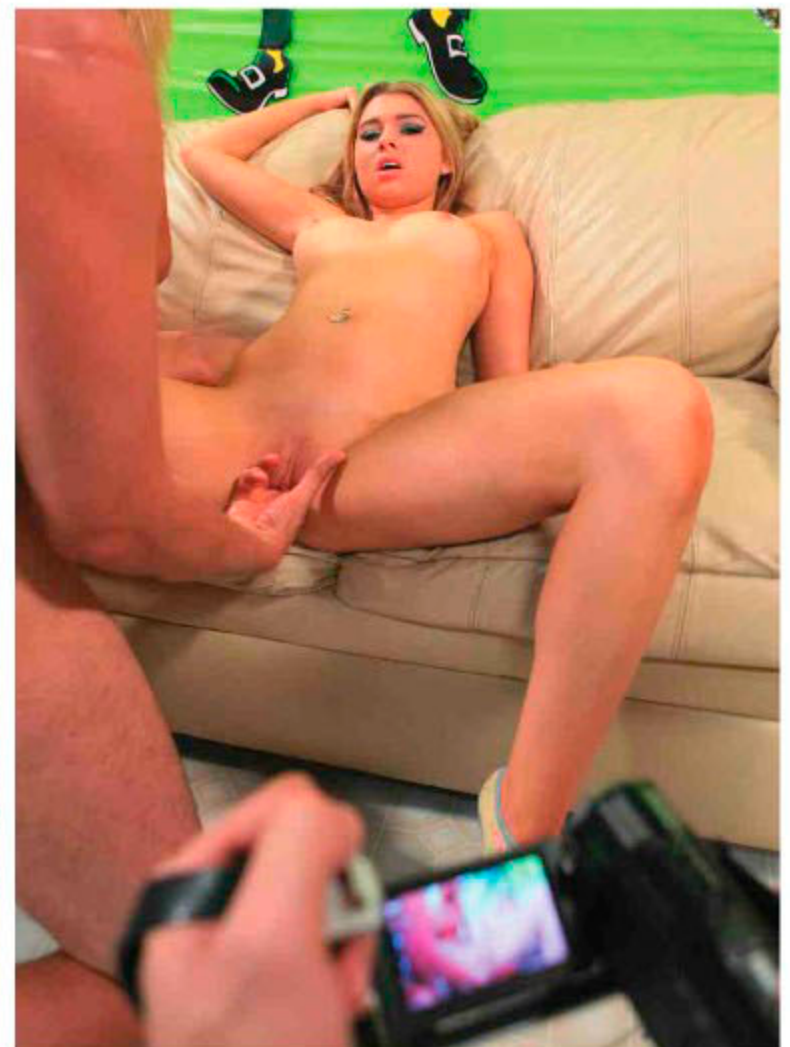

Sugar, a 19-year-old Ukrainian attending school in Budapest are decked out in tight, black outfits and posing for sunlit pictures in the back lot of the Immoral studios. Porno Dan will function as the sole male penetrator for today's show. "This is an excuse for me to have sex with two ridiculously hot teenage girls," he says with deliberateness. "Nothing more... I'm that shallow. Old-school porno. I named this show after the great Sweet song 'Teenage Rampage!'"

Dan slides right into carnival barker mode. "My man Jeff from PURELY 18 Magazine will be here tonight taking pictures if you hear a clicking noise. Just keep your hands and feet inside the ride, that is just Jeff from FOX clicking away. Okay, I think people want to see this because I have two gorgeous girls."

Ivana Sugar does porn to supplement her income while attending school in Budapest, the L.A. of Europe in a porn production sense. "I had my first sex in my private life when I was 18 and three weeks later I started working in porn," she says in a hefty Ukrainian accent. "It's really good. People say that porn is not good and I'm, like, come on! I go to the shoot and I do sex with some nice guy and I do my job, I get money and I go home."

For example, some girls go to the club and get so fucking drunk and have sex with everybody without condoms and it's okay because nobody can see it."

Molly Bennett has been doing porn for just over a month and had only one boyfriend before her first on camera bang out, a fine accomplishment in the modern day Sodom of SoCal. "I've had about 12 boy/girl scenes I think," she says in a small voice. "It's been good because the guys know what they're doing. It's awesome and I love it and the first time that I ever had an orgasm was on-camera. It was my second shoot and, oh, my god, it was amazing. I was in doggie and I didn't know that I could feel that much pleasure."

IVANA SUGAR: I am from Ukraine and one year ago I left to study about the U.S. in Budapest. I'm studying the culture of Europe and America. It's really interesting. In United States the most porn is in Los Angeles and in Europe the most porn is in Budapest. I can study and work. I speak Russian, Ukrainian, Czech, Slovak, Spanish and English, but I don't speak Hungarian. It's a hard language. Every word sounds like a dirty word. It's like, *Man, people, what are you talking about?* ...I like

everything. Maybe it's my age because when you're 19 everybody loves everything. I started having my private life sex and then after about six to eight months I had my first orgasm. I really love spoon position. I really love it. With the guy behind me, it's really cool. I don't really have a big hand but to give myself an orgasm I use these two fingers. I've been here in the USA for about one month. I started working immediately and it's been like every day. It's really good, I'm so fucking happy because the guys are really nice and half of the guys are European guys anyway and that's good for me. I like working with both the European guys and the Americans. I love this weather. People should be happy to live here. For example, in Budapest it was like -25 and nobody goes out to do anything, they just sit at home. I want to stay in this business but I don't want to stay here a super long time and I don't want to leave this business without getting anything from it, so before I leave

here I will get something. The money is okay but I want something more. My parents know that I am studying in the university but nobody knows about my job. I started liking girls when I started doing porn. I like this girl, she's little, she's cute and I'm like, why not? It's a pleasure to kiss her, it's a pleasure to touch her. My dildo is better than any man.

MOLLY BENNETT: I grew up in Southern California. I started because I was on Model Mayhem doing like regular fashion modeling, and my agent before asked me if I wanted to make like 25-grand a month doing nude modeling. I was like, yeah, sure I'll do it and that got turned into a BJ scene and that turned into a boy/girl, etc. but I like it and I'm not ashamed or anything that I started doing porn. If it wasn't for that one little incident I probably wouldn't be here. I was like a total straight-A nerd who sat in front of the classroom. I only had sex with one guy before I started porn. When I got into porn I was basically looking for an

excuse to have sex because all the guys I went to high school with, if I had let them go all the way, they would have told everyone and it wouldn't have turned out well. I've always been really sexual but I've just never really expressed it a lot because you know how vicious high school kids can be. I think when I first started my parents started getting assumptions but I kind of curbed their thought process that I was still doing modeling because I just came up with story after story. I'm planning on telling them eventually but just not right now. I'm not ready yet. I want to be in it for a while. Porn has made me venture into so many areas that I never would have gone into. Like I'm bi now and before I never would have touched a girl. I'll eat pussy now and I love it. It's all happening so fast. I've been in about a month. I never thought that I would be eating pussy. I'm kind of like surprised at myself. I'm like holy shit, I never would have done this if I had never done porn but I love it

now so like thank god I do porn. I mean, like, I want to get my name out there and become well-known in the industry. I want to become one of the big names like Alexis Texas, one of those girls. I really like being on top because it gives me the opportunity of being in charge whenever I want to take action. I don't do anal yet. I've tried to do in my personal life and I couldn't successfully accomplish it because it just hurts so bad. Oh, my god, every single shoot if the guy is over eight inches you have to dedicate a certain amount of minutes on working it in because it won't fit. My vagina just shrinks up after every shoot and that's the problem that continues to happen. I really like swimming. I've been swimming ever since I was really little.

When all customary fornication permutations are achieved, a load is blown on Ivana's rack. Molly licks it off. We're done here. Again.

Porno Dan has achieved notoriety, with something resembling a work ethic, by cranking out live porno shows four or five times a week. Just like a bar musician who shows up to play a gig every night, Porno Dan makes packs of girls show up and rise to the occasion, banging it out, making the job of wanton sex into digital showbiz on a consistent basis. Even when he fails at trying to keep it all interesting, that becomes the joke; the result being a weird, train wreck moment of theater of the absurd that you can't not watch.

"I'm making every Phi Kappa Sigma in the nation proud right now," he brags while POV-ing a double BJ from standing position. Greek system, hyper-party spiritual vacancy informs much of Porno Dan's cheesy, reversible jacket of an act that manages to defile the porn house even further with frat house retardation, if that's even possible. Just when you thought that porno couldn't get any more ludicrous, it manages to go lower. I know, it's an amazing concept that refuses to die. Porno Dan is a performance artist.

PORNO DAN: Livin' the dream, baby! That's all I can say. Ivana, you're something else, you squirt a lot too. I've never seen you cum before but I think I love it now.

Ivana: Everybody loves it.

Everybody loves Ivana Sugar and everybody loves Molly Bennett. Combined, Jeff, they are very young still. Goodnight everyone, thank you for watching!

MILA

"I Think I Like Girls!"

My name's Mila, and everyone always says I look just like that actress who has my name. I guess that's a compliment, but I want to be known as my own person. I march to my own beat, so it bugs me even more when people think I'm shy and innocent, because I look so young and sweet. Just to prove them wrong—every night when I get home from school, I lock my door and pick a different toy to play with. My favorite is an electric wand. I use it on every inch of my body—making sure to touch all those special places. I make my nipples turn hard. Then, I glide the wand over my pussy. Oh, it purrs so good—then I cum so much! Yup, I guess I'm not so sweet or innocent after all!

LIZ & LINDSEY

LIP-LOCKED LESBOS!

I just moved into a new dorm room with a classmate named Liz. We've become very close friends very fast. What really sealed the deal was when Liz asked me to help her turn on the faucet for a bath. When I saw her standing there naked—in all her blonde glory—I just couldn't help myself. I got naked, too, and asked if I could join her in the tub. I washed her, she washed me, and then we tongue-washed each other! Ever since that night, we've gotten even closer. We even share a bed—and lick each other's cunnies every night. That's what dormmates are for!

VERONICA

"I JUST LOVE TO MASTURBATE!"

I'm a very conscientious student. Being a freshman in college, I take my studies very seriously. Everyone tells me I study too hard, so when I feel at the breaking point, I have a special way to chill out. I get naked and lie on my bed, then I think about all the boys who want to fuck me. I think about teasing them and getting them all hot and bothered. I let my fingers roam all over my body, and then push a couple of fingers inside my very tight snatch. I get very wet, and I lick the pussy juice off of my fingers. When I've made myself cum a couple of times, I relax, and then it's back to the books. A little cum break never hurt anyone!

Make me your dirty little..
